

DiscipleSHIFT Life Group Discussion 4

It's About To Get Real

Take some time to review the last 3 weeks. How has God been challenging you and/or encouraging you?

Discuss *Matthew 16:13-28*.

Who do I say Jesus is, and is that how I really live?

How has my understanding of who Jesus is, led me to love others?

What stories from Sunday connected with you or challenged you?

If comfortable, share what story you would like to tell over the next year. A story you want to see happen in your life.

Discuss the Video- "Base Camp."

Take some time to reflect on your commitment and what God will do. If you are comfortable share what you will write on your sea glass mosaic tile.

Thank you for going on this incredible journey together. God is moving, and we get to be a part of it. Relationships take time. Remember they are rhythms. Courageously take your next step and be a part of the greater story.

If you have questions don't hesitate to ask!
